## 2021-2022 School Accountability Report Card

(Published During the 2022-2023 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2022-23 School Overview

Monterey Vista School is located in the city of Monterey Park and is one of the 11 schools in the Garvey School District. There are approximately 541 students enrolled from kindergarten through sixth grade for the 2022-2023 school year. Monterey Vista offers a challenging core curriculum that focuses on state content standards while meeting the needs of our diverse student population. Monterey Vista has been recognized as a Title I Achieving School in 2003 and as Title I Academic Achievement Awards School in 2007, 2008, A California Distinguished School in 2004 and 2014 and A No Child Left Behind – National Blue Ribbon school in 2004 and 2020.

Students benefit from a variety of enrichment and remedial programs which includes after-school programs focusing on our high needs students. Monterey Vista also has a full time intervention teacher for RtI during the day pull out and push in program. There are also instructional assistant in providing primary language support for English Learners. Monterey Vista redesignated 60 English Learners to fully proficient status for the 2022-2023 school year. There are also many student engagement opportunities for students at Monterey Vista School. Currently, we have a Lego Club, Garden Club, Homework Club, Board Games Club and Yearbook Club. As a high-performing school with diverse ethnic student backgrounds, student achievement continues to increase each year. Monterey Vista is also ranked in the top 8% among elementary schools in California.

**Mission Statement:** We, the students of Monterey Vista School will learn academic skills, moral and ethical values, respect for diversity that will enable us to be life-long learners and productive members of a global society.

The effort and dedication from the Monterey Vista teachers and staff have made the school a quality place where learning occurs. The staff is proud of our students' high achievement and high expectations set by teachers and staff. The entire staff

## A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### 2020-21 Teacher Preparation and Placement

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Garvey School District adheres to California Education Code which requires that each student, including English Learners and those in special day classes, have a State-adopted, standards-based textbook/application for use in the defined subject areas of English/reading/language arts, history-social science, mathematics, and science. Students must be assigned a single textbook/application in each subject that they can use both at home and in class. Instructional materials at Garvey School District support the curriculum, the California frameworks and California Standards, and instructional strategies; comply with California Education Code requirements regarding the evaluation of materials; and are deemed appropriate for the grade, ability, language proficiency, and maturity level of students being taught. For the 2022-2023 school year, a new Social Studies Curriculum was adopted by the Garvey School District.

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**  
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	N/A	71	N/A	56	N/A	47
<b>Mathematics</b> (grades 3-8 and 11)	N/A	74	N/A	50	N/A	33

## 2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade 5	100	98.6	98.6	95.8	98.6

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2022-23 Opportunities for Parental Involvement

Parents, guardians, and community members are an integral part of the support system for Garvey School District students and have a multitude of ways in which they can get involved to contribute to students' educational experience. Maintaining constant communication with the child's teacher(s), attending Parent/Teacher Conferences, participating in Back To School Night and Open House, as well as family events such as Student of the Month Assemblies, PTA sponsored events such as Book Fair to promote literacy and informing parents through Class Dojo, parent link, marquee, phone calls and written communication.

In accordance with Title I regulations, our school jointly develops with parents a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and engage in a partnership to help children achieve the State's high standards.

There are ample opportunities for parents to participate in the governance of the school by joining any of the many committees such as School Site Council, ELAC, School Advisory Committee, and District Level Committees as well.

The purpose of the ELAC (English Learner Advisory Committee) is to advise the principal and school staff on programs and services for English Learners and the School Site Council on the development of the School Plan for Student Achievement Representatives from this group attend monthly DELAC meetings facilitated by Learning Support Services.

The SSC (School Site Council) is a team of the principal, teachers, other school personnel, parents, students, and community members who are elected that develop the mission and goals for improvement of an individual school community. School Site Council evaluates the effectiveness of the school plan and revises it based on data collected throughout the year. This group meets once a month.

In addition, parents can take advantage of the numerous parent workshops that are provided by Learning Support Services, held at the District Parent Center (IPO) on topics from parenting, academic achievement, children's social emotional needs, to school funding. Topics would include anti-bullying, appropriate use of technology and strategies to increase parent engagement with student learning. It is always a pleasure to welcome parents/guardians to student performances, student recognition assemblies, and school functions and events. We appreciate your support and partnership.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.18	0.80	2.45
Expulsions	0.00	0.00	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22

## 2022-23 School Safety Plan

The comprehensive school safety plan is updated annually by the School Site Council. A public hearing is held for any community members and staff to attend. The safety plan will be approved in February 2023 and revisions made included evacuation maps, behavior expectations, and portions of the site emergency action plan. A school safety committee is formed and meets to discuss any updates or revision to the plan. Last Updated on September 2022 and reviewed with staff and approved by School Site Council on February 2022.

## Professional Development

Garvey District is committed to providing high quality professional learning for administrators, teachers, classified staff and parents that is aligned to the District's Mission and Vision. District teachers and support staff participate in Professional Development Days that are driven by student achievement data, staff learning needs, and research-based best practices. District-wide days of professional learning and collaboration are concentrated around our academic and whole-child focus areas with an emphasis on English Learners, Foster Youth, and Low-income Pupils. Each site's professional development plan is designed collaboratively to address identified student achievement and staff needs that are aligned to the District's focus areas as indicated in each site's School Plan for Student Achievement (SPSA). Garvey administrators, teachers, and staff also engage in regular Professional Learning Community opportunities to grow and learn collaboratively with peers.

This table displays the number of school days dedicated to staff development and continuous improvement.
